DATE: August 9, 2023

TIME: 11:00 - Meet & Greet
Lunch - 11:30 (Pace Analytical Services has graciously decided to pay for lunch!)
Meeting & Presentation – 12:00–12:45

CONTACT: Les Jeske (President) ljeske@solutientgeosciences.com

Judd Sheppard (Vice President) jsheppard@valicor.com

Jeanie Odom (Secretary) jodom@ettline.com

SPEAKER: Matthew “Matt” Fete – Pace Analytical Services

TOPIC:

Low Volume Technology

Speaking about the development of low volume technology at the Allen, TX laboratory. Will also cover status of having a courier make regular run to East Texas, or possible drop box where customers can send their samples to Allen, TX instead of shipping via FedEx.
