

North Texas Association of Environmental Professionals Member Dependent 2023 Scholarship Application

This is the official application form for the NTAEP Scholarship Fund for 2023. We look forward to receiving your completed application. This scholarship is awarded annually to a student currently enrolled in an environmental program at any accredited university or college in the United States, its territories or Canada. **All application materials must be received in the NTAEP office by September 1, 2023 to be eligible for the award.**

The scholarship winner will receive a **\$500.00** check made payable to the student, with proof of enrollment in an environmental related degree, to help with the expenses of furthering his or her education. The winner will be announced at the September 2023 meeting.

Applicant Requirements:

Applicant must be either a recent high school graduate or have a record of and plan to continue full time college attendance, as defined below:

- a. Undergraduate – minimum of 21 credit hours per 12-month period.
- b. Graduate – minimum of 12 credit hours per 12-month period.
- c. Examples of Science Based Majors: Biology (Marine, etc.), Chemistry, Geology, Environmental Science, Ecology, Archeology, Engineering, Planning, Water Resources, and Others to be approved by Board.

Applicant must be either a NTAEP student member or immediate family member of a NTAEP member. In all instances, qualified family NTAEP members must be active, Individual Members without umbrella coverage provided by Employer Corporate Membership.

2023 Meeting Dates prior to Submittal Deadline (Refer to NTAEP.org for location and details)

About the Scholarship

Starting in 2018, the NTAEP Board initiated a new version of the NTAEP Scholarship to encourage NTAEP Individual Members and their immediate family (North Texas college students) to explore a career in the environmental field by attending NTAEP meetings and contributing to the industry through community service and professional involvement.
