

# Job Summary

Giles Engineering Associates, Inc (Giles) is currently seeking an entry-level to mid-level Environmental Staff Scientist to assist our clients in the conclusion of environmental due diligence on small to medium sized projects. We are looking for dynamic individuals who are interested in furthering their careers. Individuals should have strong initiative, good communication skills and should exhibit strong technical and administrative skills. This position requires ability to work in the field, **flexibility to travel**, a positive attitude, and a strong desire to learn. This is an opportunity to become a member of a successful team working on vital projects in the Dallas area.

## Responsibilities and Skills:

- Perform (or ability to learn) Phase I Environmental Site Assessments.
- Perform (or ability to learn) various tasks associated with Phase II site Assessments.
  - These tasks include (but are not limited to) installation of monitoring wells, sampling various media (groundwater, soil, surface water, etc.)
- Logging soil borings.
- Compiling field records.
- Documenting site activities.
- Directing subcontractors (drillers/sub-consultants).
- Data analysis.
- Data interpretation and manipulation.
- Report writing in accordance with ASTM E-1527-21 (AAI).
- Coordination of logistics for field efforts.
- Ability to take detailed field notes and photographs.
- Perform property owner interviews.

## Requirements:

- Ability to lift 50 or more pounds
- Bachelor's in Environmental Science or related science field
- Certification in field of expertise (Current HAZWOPER Certification and OSHA 40-Hour Health and Safety Waste Site Worker Training and Annual Refresher).
- Valid driver's license with acceptable violation history.

## Competitive Benefits:

- Competitive pay
- Health Insurance
- 401 (k)
- Educational opportunities

## About the company

- **From its origin in 1976, Giles Engineering has been a family company, embracing family values and personal relationships, with its employees as well as its clients.** Giles has a long-standing history of taking care of its own, supporting continuing education for its employees to further their professional and personal development, preferring to promote from within and building a culture of loyalty and dedication.

Giles provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.

This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation, and training.
