

**East Texas Subchapter
of**

(NORTH TEXAS ASSOCIATION OF ENVIRONMENTAL PROFESSIONALS)

MEETING NOTICE

LOCATION: McKay's Ranch House (1603 US Hwy 259 Business) – Kilgore, Texas

DATE: February 8, 2023

TIME: 11:00 - Meet & Greet
Lunch - 11:30 (ETTL Engineers & Consultants Inc. has graciously decided to pay for lunch!)
Meeting & Presentation – 12:00–12:45

CONTACT: Les Jeske (President) ljeske@solutientgeosciences.com

Judd Sheppard (Vice President) jsheppard@valicor.com

Jeanie Odom (Secretary) jodom@ettlinc.com

SPEAKER: Brad Griffin – Environmental Specialist with Caddo Creek Mine/North American Coal

TOPIC:

Caddo Creek Mine Overview

It is an overview of North American Coal and Cabot Activated Carbon. It also covers coal and the process of making activated carbon. Keep in mind that the mine is no longer in operation, but the information is interesting.
